B. Tech Project 1 - Mid-Sem Evaluation

INSTRUCTIONS FOR STUDENTS

1. Each project group will **report to room AB3-007 at 02:30 pm sharp, sign the attendance sheet and be seated**.
2. Each project group has been allocated an expert panel. The allocated expert panel and venue of presentation for each project group is attached. Each project group needs to present their project progress to their allocated expert panel only.
3. The project groups will be called one at a time to present before their respective expert panel.
4. Each project group should present their PPT and code written so far, on any ONE LAPTOP.
5. The PPT should include the following:
    a. Slide 1 – Title (same as submitted synopsis), Group number, Team Members name and roll, project supervisor name.
    b. Slide 2 – Progress So far – coding, literature review etc. Clearly mention the percentage of work completed so far. Students MUST show the code written and executed so far.
    c. Slide 3 – Tasks left to be done.
    d. Slide 4 – Expected timeline of project completion.
6. Each project group will be given a total of 5 minutes to present their work, show their code and answer questions raised by the expert panel.
7. **Each project group should be dressed formally as this is an exam.**
